PLEASE NOTE: This is an approximate itinerary as Access Broadway® events do differ from city to city based on our enrollment of "Competition Entries" and "Workshop Participants" for an event. We reserve the right to revise this sample schedule, add additional days, cancel or extend any part of our event as a result of the overall enrollment received. Our Workshop may also be presented in it's entirety in a one day format on Saturday or on Sunday which will be decided by our Executive Director that is based and contingent on the amount and type of acts we receive for our competition. In doing so, our goal when scheduling is always to efficiently streamline each event customized to it's needs.
